Church Hill Art and Design Curriculum Intent

Wellbeing

We believe fostering positive mental health and wellbeing is the foundation for all learning and growth. Our curriculum, including the 'hidden curriculum' of school culture, supports all pupils to develop a positive self-image and equips them with the knowledge and skills they need to look after their mental and physical health.

Throughout their time at CHBP, our children have access to a rich and varied creative curriculum and are taught using a variety of methods. One of the main elements of our art provisions is the way we use sketchbooks to allow the children to explore and develop their ideas. The impact of our art and design curriculum can be seen not only in our children's sketch books but also through classroom displays and the school environment.
