

## Welcome from Nick Salt - Chair of Governors

Welcome to the new CHBP Federation that took effect from 16th April.

The new Federation had its first governing body meeting on the evening of 16th April and I was honoured to be voted in as the first Chair. Sejal Rabone and Paul de Ville (formerly vice chairs at each school) were appointed as joint vice chairs.

Those at Church Hill School will already know me as I was the former chair of the Church Hill Governing Body for the past 3 years. For those that don't yet know me then I have had three children go through the school in the past and currently have one grandchild in Year 1. I intend being approachable and visible at both schools and to give you the opportunity to have informal and formal opportunities to meet me.

I have worked closely with Brunswick Park School staff and governors during the Federation process which has allowed me to begin as chair with a greater understanding of the setting. I would like to thank Peter White on behalf of the Federation for his contribution over many years as chair of Brunswick Park. I am grateful that he is remaining as an associate governor and will be supporting me in my role.

The new Governing Body is very keen, committed and determined to work for the benefit of both schools. We will report back to you regularly and intend publishing a termly newsletter in order to do so.
